A new design for the website www.groupama-am.com

Groupama AM enhances its English website with a new design

Groupama AM enhances its English website with a new design. Since November, 21st the website www.groupama-am.com displays new colours and a new design in the style of the website www.groupama-am.fr . More elegant and more concise, this new website offers greater readability and easier navigation for internet users.
