**New for our readers!**

Groupama Asset Management's newsletter has a new look

At the beginning of 2010, Groupama Asset Management brought its readers a fresh *Funds & Strategy* newsletter.

New graphics, new colours, a contents page and a reorganised editorial make for easier reading. Each and every page will be maximised in this new layout, drawing attention to our news, especially market trends. We hope you will enjoy the 2010 version of the *Funds & Strategy* newsletter.

Happy reading!
