The 2010 annual report is already available!!

Groupama AM is publishing its 2010 results and this year is offering a more interactive annual report.

For the publication of its annual results, Groupama Asset Management has decided to offer all its clients and Internet users a more dynamic 2010 annual report. By publishing this year's annual report in the form of a 'flipbook', we hope to offer readers the highest level of interactivity and flexibility.

We invite you to discover our [2010 annual report!](#)
