Eurofonds-FundClass Awards

On 8 March 2011, for the fifth year running, Groupama AM received the Eurofond-FundClass Award

On 8 March 2011, for the fifth year running, Groupama AM received the Eurofond-FundClass Award for the quality of its product ranges and the consistency of its performance.

The quality of Groupama AM's product ranges and performance are recognised again! For the 5th year running, Groupama AM has been ranked as the No. 1 French manager in its class*. The Group's asset management company therefore received the Award for the "best French range" for its performance over 4 years. At the award ceremony, which took place at the Automobile Club de France in Paris, Groupama AM also received the award for the "best European range" for its performance over 7 years.

"This ranking reflects the long-term quality of management in our core business: active European management. These two rewards show that Groupama AM has managed its entire range in both bull and bear markets better than others. I would like to thank all the Groupama AM teams who have contributed to this success" - Francis Ailhaud, Groupama AM CEO.
